

## PRODUCT DATA SHEET: ABRASIVE CLOTH SPECIAL QUALITY

<b>Product name</b>	<b>R1XP-ZC</b>
<b>Abrasive</b>	Ceramic grain with cooling Top Size
<b>Backing</b>	Polycotton
<b>Distribution</b>	Closed
<b>Bond</b>	Resin on resin
<b>Grit side colour</b>	Light blue
<b>Backing side colour</b>	Brown

**Grit range** 40, 50, 60,

**Width available** 20, 25, 28, 30, 35 mm

**Length available** 80 ÷ 100 m

**Materials** Stainless steel, steel and non ferrous metals

**Performances**

- Heavy duty grinding on low heat transmitting;
- Very high cut rate, high aggressivity;
- Extended working life.

**Applications**

Best performances on stainless steel, providing cool grinding, combined with high speed.  
Totally iron free, ideal for operation in food, pharma and medical equipment
